

**Northwest RAD+ Regional Convening
Portland, OR & Vancouver, WA—February 27 to March 1**

Along with our local hosts, the RAD Collaborative is undertaking its first Regional Convening of 2019 in Portland, OR and Vancouver, WA. Activities begin the afternoon of February 27 and wrap up the morning of March 1. Our agenda includes a review of Oregon’s game-changing affordable housing resources, in-depth discussions with local housing authorities, HUD updates and the latest practice and policy insights, all with a focus on what’s become “RAD+”— an impressive array of mixed-income/mixed-use/preservation developments and cross-sector collaborations being undertaken along with RAD and Section 18 conversions of assistance.

Rob Hazelton and Jenn Kriehner will be both be at this first Regional RAD Convening and hope to see you there!
